

# North Royalton cat shelter needs to raise \$1.5 million to replace deteriorating building

Stay-A-While Cat Shelter is a 501(c)(3) non-profit, no-kill, cageless shelter that, for 38 years, has been helping cats and kittens find a new home, or sheltering those that cannot. All the shelter's funding comes from the generosity of animal lovers, through donations, adoption fees and fundraising events. Now our need is much greater. The current shelter is in a 72-year-old house, which was never constructed to be a shelter. The building along with its septic system, roof, plumbing, electrical and HVAC systems have reached the end of their useful lives. For Stay-A-While to continue saving cats and kittens, we need to raise \$1.5 million to build a new shelter. We have raised some of the funds, but the cats desperately need your help to reach their goal. **We are seeking individual and corporate sponsors.**
